

Uniface Technical Support: Which load Testing tool should we use for Uniface 9.5 based GUI application

Which load Testing tool should we use for Uniface 9.5 based GUI application

Author: uma.ankaraju2@btfinciancialgroup.com (uankaraj)

Please let us know which load Testing tool should we use for Uniface 9.5 based GUI application? Using LoadRunner's Winsock for Uniface 9.5 is complicated.
