

Uniface 10 Enterprise Edition: 10.3 004: Browse for Menues in Export Form wrong

10.3 004: Browse for Menues in Export Form wrong

Author: ulrichmerkel@web.de (ulrich-merkel)

My Export Form showed for menues Library: USYS Menues: U8Y_* Language: USA Positiond in Field Menues, I activate "BROWSE" But in the Browse menu, the fields are filled with reversed data Menues: USA Language: U8Y_* Please adjust, TIA, Uli
