

Uniface.info site specific: Reported Issues Search problem

Reported Issues Search problem

Author: ulrichmerkel@web.de (ulrich-merkel)

Since sunday 160918, the issues search form shows only the

Reported Issues

Enter key words to search the list of known issues and find out what the status is. but not the form for the query data. when getting <http://unifaceinfo.com/fixes/search/search.php> there is a [HTTP/1.0 500 Internal Server Error 47ms] Greetings from Frankfurt/Germany, Uli
