**&#091;SOLVED&#093; USYS:USYSPRT.FRM Printing error on Runtime  
9.4.01**

Author: mail@gandg.it (TheAleph)

Hi everyone, we are using Uniface 9.4.01 (r135) on Windows 7 Pro 64 bits , usually the installation works good, but yesterday on 2 new pc and on both trying to print on printer or file there returns ERROR : USYS:USYSPRT.FRM and no print is provided; never happeded !! Thanks in advance to all for suggestions. Bye Roberto
